

**Your revulsion at  
intersex bodies  
is your excuse  
to commit the  
ultimate in  
revolting acts -  
slicing & dicing the  
genitals of intersex  
newborns to make  
them resemble  
those of non-  
intersex babies.  
You do it without  
our consent because  
we are too young  
to speak 'yes' or 'no'.**
